

Malaysian International Passport Photographs Specification

- 3 recent identical U.S passport sized photographs (2x2 inches)
- Clear white background with no shadows
- No glasses, No dangling earrings
- Dark colored clothing covering shoulders and chest
- Ears & eyebrows MUST be visible
- Hair MUST NOT cover forehead
- Taken in full-faces view directly facing the camera with a neutral facial expression
- Both eyes open and mouth closed (No teeth showing)
- Do not wear a hat or head covering that obscures that hair or hairline unless worn daily for a religious purpose. Your full face must be visible, and the head covering must not cast any shadows on your face
- Make sure to have enough room on top of the head (do not cut the photo to close to the head/hair)
- Make sure to have good quality photos (not blurry)

NOTE: Please follow the photos requirements carefully.

Consulate General of Malaysia will not be responsible if your photograph is rejected which will result in the delay of your application.
